

## CARIBE CALIENTE

The Cajun prawn appetizer at Eva's Caribbean Kitchen may just be the richest, most satisfyingly complex spicy dish in Orange County. The large shrimp are marinated with chile and garlic before being dredged in Cajun spices and seared in a skillet. Soak up all the sauce with the bread, and it's a three-beer burn. 31732 S. Coast Hwy., Laguna Beach, 949.499.6311.
